TECHCON 2017

60TH ANNUAL TECHNICAL CONFERENCE

RHODE ISLAND CONVENTION CENTER | PROVIDENCE, RHODE ISLAND, USA | APRIL 29-MAY 4, 2017

TECHNICAL PROGRAM ★ EXHIBIT ★ EDUCATION ★ NETWORKING

FEATURING THE SYMPOSIUM COATINGS FOR HEALTHCARE, BIOMETRIC MONITORING, AND BIO-INTERFACES

WHY ATTEND THE 2017 SVC TECHCON?

- Visit the largest exhibit dedicated to vacuum coating technologies.
- Choose from Education offerings for every skill level.
- Benefit from the technology-rich northeast US location.
- Network with a global community of vacuum coating professionals.
- Enjoy a special evening at the historic Biltmore Hotel.
- Gain leading-edge information during the 4-day technical program.

MAKE CONNECTIONS

6 Days of Technical Expertise, Solutions & Know-How

LEARN MORE AND REGISTER TODAY SVG.ORG/2017TECHCON

The Society of Vacuum Coaters’ mission is to promote technical excellence by providing a global forum to inform, educate and engage its members, the technical community and the public on all aspects of vacuum coating, surface engineering and related technologies.
EXPERTISE, SOLUTIONS & KNOW-HOW

Full-conference registrants experience complete access to vacuum coating innovations and industry experts.

- 4-days of technical presentations, interactive forums, and Meet the Experts sessions
- 2-day Exhibit featuring the industry’s latest trends in equipment, materials, supplies and services
- SVC-sponsored lunch and reception on Tuesday and Wednesday in the Exhibit Hall
- Fun and engaging networking opportunities throughout the entire event

BRIDGING RESEARCH WITH INDUSTRY

The TechCon presents stimulating content across all nine of its coating technology categories, plus an in-depth exploration of this year’s Symposium Topic, Coatings for Healthcare, Biometric Monitoring, and Bio-Interfaces. Each technical session will mix basic and applied research with innovations and tools to transition R&D results into production.

WHO SHOULD ATTEND?

- **Industry Professionals** involved in vacuum equipment, parts, supplies, and coating materials and products
- **Engineers and Scientists** engaged in design, development, production, and use of vacuum coatings in various applications
- **Technicians** responsible for the operation and maintenance of vacuum equipment, supplies and materials
- **Consultants** providing vacuum coating processing solutions to clients
- **Academics** sharing cutting-edge surface engineering research to build collaborations with industry
- **Students** looking to advance their careers and build industrial connections

2017 PRICING

- Full-Conference Registration: Member - $625 | Non-Member: $760
  Additional Discounts available for presenters, students and young members. Early bird pricing valid through March 31, 2017
- Headquarters Hotel: Omni Providence Hotel: $189/night +tax
  Conveniently attached to the Rhode Island Convention Center
- Prime Booth locations still available: $2,595 for a 10’x10’ space

PROBLEM-SOLVING TUTORIAL COURSES

The Education Program presents topics ranging from introductory vacuum technology to specialized vacuum coating topics for seasoned professionals. The 6-day program offers full and half-day courses taught by highly-regarded professionals in their field. Tutorial course registration sold separately. Discounts for members, students and multiple registrants from a single company.

THE EXHIBIT OFFERS MORE THAN EVER

Not only will the Exhibit showcase more vacuum coating exhibitors than any other event, high-profile Keynote presentations from the Technical Program will take place in the exhibit hall – providing more valuable interaction between participants and exhibitors. **VISIT THE EXHIBIT FOR FREE.**
